FOR IMMEDIATE RELEASE

HPS SCHÖNOX PRESENTS AWARD TO CDC DISTRIBUTORS, INC.

Award Combines Recognition for Excellence, a Contribution to Charity, and an Unexpected Benefit

Cincinnati, OH – July 28, 2015

HPS Schönox presented the first ever *Schönox Smooth Performer Award* this week to CDC Distributors, headquartered in Cincinnati, Ohio. Al Futscher, CEO & President, and Tony Roberto, COO, both of CDC Distributors, accepted the award from Thomas Trissl, HPS Schönox Principal. "We were happy to make the trip from Florence, AL to Ohio to personally present this award to Tony, Al, and the entire CDC team," said Trissl. "CDC was one of the first distributors to join the journey with Schönox in the US; their dedication from management to the sales team is unbeatable, with incredible results – this is such a solid relationship."

"Working with HPS Schönox is a delight for us and our customers," commented Roberto. "The value Thomas and his team bring to the table, their steadfast support and the incredible products Schönox is providing makes doing business much easier." CDC markets and supports the Schönox product array in Kentucky, Ohio, Michigan, Indiana, southern Illinois, and Missouri. "It all started with the synthetic leveling product's Schönox offers, but our offering has expanded to include the entire Schönox product line in all of our territories," explained Roberto.

The Award was developed to highlight the support, dedication, and outstanding efforts by distribution partners with HPS Schönox. The *Schönox Smooth Performer Award's* name is a linkage to Schönox's smoothing, patching, and self-leveling products that the company's distribution partners market in their regions. The Award includes a \$1,000 contribution to the charity of CDC Distributors' choice.

The *Schönox Smooth Performer Award* came with an additional unexpected surprise. Roberto and Futscher will be provided with a Porsche 911 Targa 4S for a month to drive during the summer. The extra *Thank You* is being provided by Trissl Sports Cars as an added element to the Award. "We wanted the first presentation of the award to include not only our thanks and a charitable contribution, but also an out-on-the-road experience during the summer for Tony and AL," said Trissl

About HPS Schönox

HPS North America, Inc., a division of TMT America, has partnered with Schönox[®] to be the sole importer of the complete Schönox product array to North America including primers & moisture mitigation systems, subfloor repair products, floor leveling compounds, adhesives, and waterproofing materials for installing all types of floor coverings.
